New Zealand Certificate in Business (First Line Management Level 4)

Are you currently employed in the forestry industry?

Do you want to further your business management skills?

About The Programme

The Lake Taupo Charitable Trust, under the He Mahuri Toa Programme works in partnership with Toi Ohomai Institute of Technology to offer the New Zealand Certificate in Business (First Line Management Level 4) Programme. This programme provides employees the opportunity to upskill in the business management field within a forestry context.

Core course topics include:

Effective Leadership, Team Management and Motivation, Achieving Team Objectives and Business Resources

The four-course programme enables students to re-enter part-time study gaining beneficial knowledge, skills and a qualification that can be used to further succeed in the forestry industry.

We seek support of employers to release you from work each Friday, over a 16-week period to engage in block courses starting 03 June, 08 July, 05 August and 02 September 2022.

Register your interest before 20 May 2022
